**Please take part in  
a unique fundraising event!**

Invited artists, celebrities, dignitaries, school children –and just plain talented people like you!– have created their own individual POSTCARD (5" x 7") using all types of media: painting, photography, drawing, collage and more. Postcards will be sold on a first come, first serve basis. The true identity of the artist is only revealed upon final sale –when their signature is ultimately discovered on the reverse side!
